Mr. Fred Catel, Secretary,
Milwaukee Radio Amateurs' Club, Inc.,
601 Enterprise Building,
Milwaukee, Wisconsin.

Dear Mr. Catel:

We acknowledge receipt of your letter of March 23rd together with two subscriptions for QST from members of your association. We note that you are the new secretary of your organization and I am passing this information on to our traffic manager so that all affiliated club information will come directly to you.

I am enclosing herewith a supply of application blanks and I wish to advise that your present method of forwarding subscriptions is perfectly satisfactory to us and we hope that your new membership drive will be a successful one. Possibly you have seen the "Story of the A.R.R.L." booklet which has just been gotten up here at headquarters, however I am sending herewith a few copies of this booklet and if you would like to have some more we will very gladly forward them.

I believe that it is the policy of your organization to have all of your members enrolled in the A.R.R.L., and if you wish to make sure of their status as members of the League we will very gladly check the list of members of your organization. Several of the affiliated clubs have adopted such a policy and from time to time we receive their list of members and check them against ours to see if they are also League members.

Sincerely yours,

AMERICAN RADIO RELAY LEAGUE, INC.,

QST Circulation Manager.
